WE'RE TOPS WITH BOTTOMS

One of the keys to enjoying years of care-free fun is to ensure that your above ground pool liner is safe from punctures. Screen base, roots or other sharp objects can work their way through your sand base and puncture the liner. Liner Guard helps to protect your liner, cushioning it and creating a softer pool bottom.

Liner Guard provides constant protection:

- Made of durable one-piece fabric, it allows moisture to pass harmlessly through
- Fits all standard pool sizes and shapes
- It is mold and mildew resistant
- Reduces vinyl staining
- Easy installation
- Fifteen year warranty

Liner Guard delivers the security and peace-of-mind you've been looking for. The benefits are clear and the product is proven. Protect your pool investment from the ground up with Liner Guard.
