

## TLC™ surface cleaner

TLC™ surface cleaner removes oil, grime and mineral scale from common pool surfaces such as tile, vinyl and concrete. Its thick, concentrated formula clings to upright surfaces longer for more effective cleaning power.

### Features:

- Removes oil grime, and mineral scale from common pool surfaces
  - Works on tile, vinyl, and concrete
- Thick, concentrated formula clings to upright surfaces

### Applications:

#### Normal:

1. Apply TLC™ surface cleaner with a sponge, cloth, or soft brush. (DO NOT USE AN ABRASIVE APPLICATOR.)
2. Swab surface to be cleaned and let stand no more than 3 minutes. A bubbling action denotes that TLC® surface cleaner is loosening the scale and dirt. (DO NOT LET DRY.)
3. Scrub briskly, if necessary, on areas where excessive scale and grime have built up.
4. Wipe surface that was cleaned promptly with a damp cloth; then splash water copiously on the cleaned area to remove any excess material.

### Sizes:

32 oz.  
1 gal.

### Tips:

TLC™ surface cleaner is a powerful cleaner for removal of most pool stains. Do not allow TLC™ surface cleaner to drip on surfaces not intended for cleaning - may cause discoloration or etching. Do not use TLC™ surface cleaner on marble, porcelain, terrazzo, enamel surfaces or bronze and metallic glazed tiles. See actual TLC™ surface cleaner label for all precautions.

### Compatible With:

Chlorine, bromine, ozone and biguanide sanitizers, as well as salt water pools

### Advantage:

TLC™ surface cleaner combines a powerful cleaner with an extra-thick formula for the most effective cleaning!
