

Strike-Out™ algaecide

Designed to control green and mustard algae, this chelated 7.4% copper algaecide is effective and economical.

Features:

- Economical, concentrated algaecide eliminates green and mustard algae
 - No waiting to swim
 - Long-lasting
- Safe for all types of pools

Applications:

Normal:

1. Dilute with at least nine parts of water. (See dilution chart on back of bottle.)
2. Sprinkle solution around edge of pool.

Sizes:

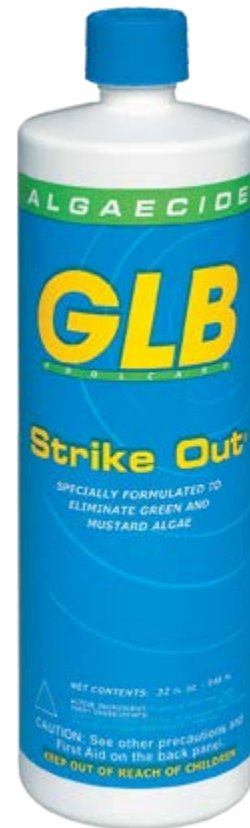

32 oz.

Tips:

Strike-Out™ algaecide comes concentrated. Dilute with at least nine parts of water before applying. Pour required amount into a plastic watering can, fill with water and sprinkle around edge of pool. Apply initial treatment to a freshly filled pool or at first visible signs of algae growth. Apply under sunny conditions for most effective results.

Compatible With:

Chlorine, bromine and ozone sanitizers, as well as salt water pools.

Advantage:

No waiting to swim - treated water can be used immediately.
